

# Francisco Echeverri

Long Beach, CA • (818)3957796 • [franciscoavtech@gmail.com](mailto:franciscoavtech@gmail.com)

A professional sound engineer with a concentration in live sound, who is keen to find a position as a sound engineer or audio technician in concerts and events. Im passionate, creative, punctual, reliable and professional. I worked at the Julio Mario Santodomingo Theater, the most important in Colombia, now working in LA as a freelancer audio and lighting technician. Able to work collaboritvely for the best possible results.
